

THE COMMUNICATOR

PASTOR'S UPDATE

June is half over and I'm still can't believe summer is really here. I guess I had better get with the program or I'm going to miss it. The temperatures are up and I'm sure many of you are taking advantage of the lakes in the area and those great family outings. That's the best part of the season for sure! I have been seeing some of those photos on Facebook so I know you are having a great time. The longest sunlight day of the year is coming up next week so we all get to enjoy those nice long evenings. I love that!

The kids fishing day looked like a big success once again this year. I was feeling a little under the weather on Saturday and I had to miss that. That was disappointing because it is so much fun watching those kids and the fish. It appeared by the photos that some of those fish are growing. There were some very nice fish caught. Good job Rick Hansen for putting that together again for us and for all the other volunteers who gave of their time for the children. It was a good day.

Liz returned from Sully Peaks this weekend as she finished the last trip with the Senior High Youth. She was grateful for all the traveling prayers and for a good time with the kids one last time. It sounded like the storms rolled through every night so it was an exciting couple of evenings.

We will be continuing our series this week the names of God. This week our focus is the name "Adonai". That is probably a name many of you have heard before, as it is one that we often see in relation to God. I am hoping we can all discover a little more about that name and once again dig down a little deeper into who God is and how He works in our lives. This has been a challenging study for me as I plan ahead for us and seek to know what God wants us to do. I can come up with all kinds of things I want to do, but is that what God wants? We'll talk more on Sunday, have a great week!
