- How do you learn best?
- What is the most challenging way for you to learn?
- Who is your favorite teacher?
- Think about a friend or family member. How do they learn best?
- When do you notice God's presence with you most?
- Where do you feel like you connect with Jesus most often?
- Read about the disciples. Why do you think Jesus called each one the way that He did?

"Come and follow me," Jesus said. “I will send you out to fish for people.”

Use a cardboard box or laundry basket to be your boat. Reenact the Bible story. You can make fish from paper or just use your imagination!

What do you think Jesus said? What do you think the disciples said? What do you think their faces looked like? Just to be silly, pretend to be one of the fish!

**Make**
How do you learn best? Use that to tell someone about how Jesus might call you. You can draw a cartoon, write a song, tell a story, do a dance or come up with another way to share.
