JESUS WASHES FEET

READ JOHN 13
MARCH 14, 2021

John 13:14-15 Now that I, your Lord and Teacher, have washed your feet, you also should wash one another's feet. I have set you an example that you should do as I have done for you.

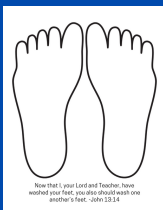

MAKE BATH SALTS

Make bath salts to use and to share with others as a symbolic gift to remind them that Jesus loves them too! Mix 2 cups Epsom Salts, Optional Half Cup Table Salt, Half Cup Baking Soda. Add 5 drops essential oil and a few drops of food coloring (not too much or you'll turn your feet rainbow!) You can stir with a spoon or toss it in a baggie and squish it around.

TRACE TOES

On a piece of paper or the template on the following page, trace your feet. Then, draw pictures inside each foot. You might draw Jesus washing YOUR feet and of you doing things for others that are like washing feet. Remember, washing feet in Bible times was a gross job that was usually done by servants or people who were thought of as lower or "less." It certainly wasn't the job of a King or Lord.
