THE BIBLE

**YOUR WORD IS A LAMP FOR MY FEET, A LIGHT ON MY PATH.
-PSALM 119:105**

Read Psalm 119:1-16 and 119:105

PRAY

Dear God,
Thank you for your word and light it shines on
our lives. Help us to listen and follow.
Amen

BOOKMARK

You can use the bookmark templates on the next page or just cut
out a piece of paper and create your own bookmark! Choose a
verse that is special to you or ask your parents to help you find a
verse.

Cut, color and decorate your bookmark and use it in your Bible or
another book. Color some to give as gifts!

ALL THE LIGHTS!

Do a scavenger hunt to find all of the different
lights in your home. Make a list of the different
kinds and find out which family member finds the
most. You can also list all of the different kinds
of lights you can think of, even if you don't have
them at home! Laser? Floodlight? Streetlight?
What makes each kind of light unique? How can
you compare each type to the Bible?

Examples:

- A flashlight shines on what is near us. The Bible also shows us what we need to know in our own lives.
- The headlight on our car shines in front of us and shows us what to do next.

Hide something in a dark room and (safely) try to
find it. Then turn on the lights. Was it easier?

WRITE A SONG

One great way to tuck God's Word into your mind and heart is
through music. There are many beautiful songs that are made
from Bible verses. Listen to a few. Then, create your own!
Decide what part of the Bible you want to spend time in and
write down the words. Set them to the music you like! You can
rap, sing country music, style after your favorite pop, change
the lyrics to a rock tune, or just belt out whatever sounds fun!
Be creative and have fun. You can make actions if you want.
Feel free to send Heather a video to share with the church if
you want!
