# A GOOD PLAN

“FOR WHERE YOUR TREASURE IS, THERE YOUR HEART WILL BE ALSO.” MATTHEW 6:21 (NIV)

## Read Acts 9- The Conversion of Paul

### PRAY

Dear God,  
Great adventures require a great plan. Thank you for having a good plan for each one of us and helping us to follow you.  
Amen

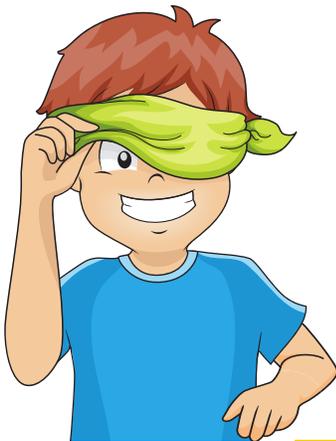

### BLINDFOLDED PLANS GAME

This game is a little like "Pin the Tail on the Donkey" but the idea is to have a discussion about how Paul was unable to see for awhile and how God changed Paul and took care of him.

Write "God has good plans for...." on a piece of paper and tape it to your refrigerator. Then place a dot or x on the refrigerator.

Print a photo of each family member (or friend) and place a piece of tape on the back.

To play the game, use a towel or bandanna to blindfold one player. Point them toward the refrigerator. The person with their photo closest to the dot is the winner. Play as many times as you want while chatting about how God's plans for us are always good.

### CHAT

- How did Paul's life show that he trusted God's promises?
- How can our lives demonstrate that we trust God's promises?
- Is there a time that you noticed that God's plan for you was surprising?
- Is there a time that God asked you to do something that felt hard at the time but was good in the end?
- What does redeemed mean?
- How did God redeem Paul?
- How is God redeeming you?
- Only God could transform Paul. Only God can transform us! How is God transforming you today?

### BINGO

When we play BINGO, we are trying to get our spaces in a row to win. Sometimes in life, it feels like we are trying to fill a row but we are always missing one space on the board. God's plans for us are always good, but we don't always understand them completely. It is better to be patient and keep following Jesus because eventually, we'll win the game.

Follow the instructions for your BINGO game and use the gems or gold stars from your bag to mark each space.

### DIRECTION DOODLER

- Place a small gear inside the large gear and put your pen in the hole on the small gear. Keep drawing as the gears turn and a beautiful picture will appear.
- God has a beautiful plan for a life and gives us good direction to fulfill His design for us.
