ACORN CRAFT
In your Sunday School to go bag, there is an acorn craft. The instructions are in the bag.

WHOLE CHURCH PROJECT!!!!!!

The folks who decorate our church will place a Christmas tree OUTSIDE the church for us all to enjoy. This means even if you are doing online church you could swing by and enjoy.

They've invited us all to place an ornament on that special tree. Here are some easy ways to participate!

On the next page, we have a variety of easy and fun ways to create an ornament for the outdoor tree. If you have another idea, go for it!

CHAT
- How did God work through Moses?
- How is God working through you?
- What does it mean to be set apart for God’s purposes?
- How can it be comforting to know that God knows you better than anyone else can know you?
- In our book, the acorn felt afraid. Do you ever feel afraid?
- In our book, the mom tree told the acorn to be the tree that God made him to be. How can you be the kid God made you to be?

LEAF RUBBING
- Gather some leaves. Try to find leaves from different trees if you can.
- Peel the wrapper off of the outside of a crayon.
- Place a leaf under a piece of paper.
- Using the side of the crayon, gently rub the crayon over the paper on the place that is over the leaf.
- It will leave a leaf imprint!
- Do many leaves in many colors.
- Talk about how each leaf is unique but a beautiful part of God’s creation.
