SEEK GOD'S WISDOM

“FOR WHERE YOUR TREASURE IS, THERE YOUR HEART WILL BE ALSO.” MATTHEW 6:21 (NIV)

Read 1 Kings 3:4-15 about Solomon

PRAY

Dear God,
Please give us your good gift
of wisdom and help us follow
you.
Amen

PHONE FOR WISDOM

- Choose a family member or friend who seems wise to you. (Or better yet, choose a few!) This might be Grandma or Grandpa or a parent or cousin. It could be someone you've seen at church.
- Give that person a call on the phone and ask if it might be a good time to talk or schedule a longer chat for later.
- Ask the person to tell you some of the things they've learned in life or share their wisdom with you. Record the call or take notes.
- You could create your own book using the wisdom people give you and also remember to look in the Bible for wisdom!
- If you need help finding a person, I can connect you with someone from our church who would LOVE to chat with a young person for awhile and share their stories.

CHAT

- Who is the wisest person you have ever met?
- What did God offer Solomon?
- Why do you think Solomon made the choice he made?
- If God offered to give you anything, what would you pick?
- What makes wisdom such a good treasure?
- Where does wisdom come from?
- When do you need wisdom?

DIGGING FOR TREASURE

Open up your Sunday School white bag. Tucked inside, you'll find a yellow and brown box that says Treasures Excavation Kit.

- Open your box onto a paper plate. It makes dust so you may want to do this in a place that can get a little messy.
 - Use the little wooden chisel to chip away the tan rock and find treasure!
 - Use the little brush from the box to clean off your treasure.
- Talk about how finding this treasure is like wisdom! How does knowing what you are looking for help you with your treasure hunt? Does it help to have the right tools?

GUESS WHO -GAME

Play the "Guess Who" game that is included in your bag. Talk about how it is harder to find what you are looking for when you don't know what it is! When we read the Bible and ask God to give us wisdom, we can learn what to look for. God wants what is best for us, so when we ask for wisdom, He gives it to us. That wisdom can help us as we make tough choices and go through life each day. When you play "Guess Who," the challenge is that you don't know who you are looking for.
