

## PRAY

Dear God,  
Your plan is always good and we are so glad you made a way for us to be with us all day, every day. Thank you for loving us perfectly.  
Amen

## CHAT

- Have you ever had to wait for something? How did it feel?
- How do you think the disciples felt while they were waiting for the Holy Spirit that Jesus promised?
- How do you think the disciples felt when the Holy Spirit was upon them and they saw fire?
- How do you think people felt when they heard about Jesus in their own language for the very first time?
- When do you hear/ feel the Holy Spirit and how do you listen?

## PROJECT

Make yourself a flame headband using the template on the following page. Draw flames, color it and write verses on it to remind you that the Holy Spirit is with you. You can also use the template that already has the flame and verses if you want. Cut on the dotted lines to create a back headband that you attach to the front band with the flame. Use the small rectangles as extenders if the headband is too tight. Color it and tape it together.

# THE HOLY SPIRIT

**When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues[a] as the Spirit enabled them.**
